Seniors First Turkey Trot 5k A Thanksgiving Tradition

Race History

In 1989, Seniors First started a run in downtown Orlando with only a few hundred participants. Now in its 30th year, it is one of the largest non-profit 5k races in Central Florida drawing up to 5,000 runners each year plus 1,000's of spectators viewing around the lake and it's tree lined streets.

Partner Benefits

As one of our official sponsors, your company will receive direct exposure to thousands of runners and spectators. Further advertising will reach thousands of others through our collateral materials, television, print and radio promotions, dedicated Turkey Trot website, extensive social media campaigns and more! By aligning your brand with this time honored tradition, your sponsorship will not only support your business and build your charitable footprint but will go directly to help seniors in Orange, Seminole and Polk Counties.

How You Will Make A Difference

You will have a direct and positive impact on the lives of:

- Seniors facing hunger and malnourishment.
- Seniors suffering from isolation.
- Seniors living in unsafe conditions.
- Seniors at risk of losing the ability to stay in their own homes.

This little one with her security detail ... "Turkey Style"!
